# 1995 SEC NOTEBOOK

A s the Southeastern Conference begins its 63rd season of competition, this tradition-rich league looks to build upon the extraordinary impact the 12 member institutions have had on the game of college football.

The SEC's heritage has been substantiated by national championship teams, Heisman Trophy winners, All-America performers and legendary coaches. Holding true to form, the SEC established the standard by which others are judged again in 1994.

The final 1994 Associated Press poll featured five SEC teams (Alabama-5th, Florida-7th, Auburn-9th, Tennessee-22nd and Mississippi State-24th), marking the highest total of any conference in the nation. The SEC led the nation in non-conference winning percentage for the 11th time in the last 15 years, with a mark of 27-8-1 (76 percent).

The SEC sent five member schools bowling following the 1994 season (Florida - Sugar; Alabama - Citrus; Tennessee - Gator; Mississippi State - Peach; South Carolina - Carquest). This quintet extended the league's all-time bowl

appearances to 267. Trailing the SEC in this category is the Pac-10 at second with 151 and the Big 10 at third 147.

The SEC's defining moment of the 1994 campaign took place in Atlanta's Georgia Dome as Florida edged Alabama, 24-23, to capture the conference crown on December 3. A record crowd of 74,751 watched in person, eclipsing the previous Georgia Dome high of 72,500 set at the 1994 Super Bowl.

More impressively, the SEC title game played to a television audience of more than 30 million people. The ABC telecast earned a 10.5 rating and a 26 share, becoming the highest-rated college football game since the 1991 season.

The interminable popularity of SEC Football is evidenced by the nearly 73.5 million who have watched the first three SEC Football Championships on ABC-TV and the record 4.9 million people who attended an SEC game during the 1994 season. Every year since the records have been maintained (1981), the SEC has led the nation in total attendance.

### SEC's Gaston To Receive Hall of Fame Award

Bobby Gaston, the Southeastern Conference's Coordinator of Football Officials, has been named the 1995 recipient of the National Football Foundation and College Hall of Fame Official Award. Gaston will be presented the award on December 12, 1995 in New York City.

A former football and basketball letterman at Georgia Tech, Gaston joined the SEC in 1957 as a football official. He worked on the field for 25 years and was ranked the number one head linesman for 16 years in the conference. Gaston worked 19 bowl games and numerous all-star games during his career (including four Cotton Bowls, three Sugar Bowls, four Gator Bowls and four Orange Bowls). After his retirement in 1981, he became an SEC Observer until his appointment to football supervisor in the fall of 1988. The originator of many conference officiating training programs, the 1995 season will mark his 39th year of service in some capacity to the Southeastern Conference.

### **SEC IN PRESEASON POLLS**

Five of the SEC's 12 schools have been mentioned in at least one 1995 preseason poll. No other conference in the country can boast four teams in the top 10, as the SEC placed four in the top 10 of the Football Writers' preseason poll.

# SEC Championship Game December 2

The SEC's Eastern and Western Division winners will meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the newly-formed Bowl Alliance. The fourth-annual title game is set for December 2 and will again be nationally televised by ABC Sports at 7:30 p.m. ET.

The game is a result of conference expansion, which saw Arkansas and South Carolina

become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play a 12th football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning

percentage in each division.

The SEC Championship Game is also the only Division IA football contest in the nation which may be decided by a tie-breaking system. In the event of a tie at the end of regulation, the SEC will implement NCAA Rule 3-1-3 (Extra Periods) which was altered by the NCAA Football Rules Committee to allow teams to have a tie breaker with as few exceptions as possible to rules in regular periods.

An extra period shall consist of two series with both teams putting the ball in play at their opponent's 25-yard line. Each team retains the ball until it scores or fails to make a first down. The team scoring the greater number of points during

regulation and the extra period(s) shall be declared the winner.

# **SEC Football On JP Sports**

The Southeastern Conference signed an agreement with Jefferson Pilot Sports (JP Sports) on November 7, 1994 to televise SEC football through the 2000 season.

The Charlotte, N.C., company holds the rights to televise 12 or 13 games annually throughout the nine-state SEC area on a syndicated basis for the next six years.

During its three seasons of airing SEC football, JP Sports' audience has averaged over 2.5 million viewers per game through its syndicated network of 55 television stations in the SEC area. Another 800,000 fans per year have watched via regional cable outlets in other parts of the country.

JP Sports, which also has extended its agreements to broadcast SEC basketball through 2000-01, will air a conference football game in the early Saturday afternoon time period (12:30 p.m. Eastern) as allowed by the College Football Association. Games will be selected 12 days in advance beginning with contests scheduled for September 30.

Tim Brando and Dave Rowe begin their first season together in the broadcast booth, while Bob Kesling will again handle halftime, post-game and sideline coverage. Brando, who will describe the play-by-play, has been associated with SEC football and basketball since 1986 through his work with ESPN and JP Sports. He is currently the host of "Inside the

NBA" on TNT as well as the play-by-play announcer on SportSouth's Atlanta Braves and Hawks telecasts.

Rowe, a former All-Pro defensive lineman for the Oakland Raiders, is on board for his first full season of SEC football analysis. He has been in broadcasting for most of the 15 years since his NPL retirement in 1980, 10 of those years as an analyst for the NFL on NBC. He has also been associated with various college bowl telecasts over the past several seasons.

Kesling is sports director at WBIR-TV in Knoxville, Tenn., and has worked numerous SEC events through the years including both the men's and women's basketball tournaments.

# **History of the Southeastern Conference**

pioneer in the integration of higher education and athletic competition, the Southeastern Conference stands ready to advance intercollegiate athletics into the 21st century

Since its formation in 1953, the SEC achieved both stature and stability by designating governing voting power to the presidents of the member institutions. They have determined the policies of the conference and through the years this involvement has been the principal source of strength in the evolution of the SEC.

Throughout its 63-year history, the SEC has provided leadership on the vital issues facing intercollegiate competition. In 1993, the member institutions adopted The Principles of Gender Equity. Committed to increasing the quantity and quality of women's athletic opportunities, each school will provide at least two more women's intercollegiate programs than the number of men's

Faced with the task of conference realignment after competing with 10 members since 1966, the SEC welcomed the University of Arkansas on Aug. I, 1990, and the University of South Carolina on Sept. 25, 1990. Joining charter members Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt, on July 1, 1991, Arkansas and South Carolina became the first schools added in conference history.

Fully Incorporated into conference competition by 1992, Arkansas and South Carolina participated in SEC championships for all sports except football during the 1991-92 academic year. The SEC was again at the forefront, introducing football, basket ball and baseball divisional play and the nation's first ever Division I football championship game.

SEC schools began athletic competition with one another almost 100 years ago as members of the Southern Intercollegiate Athletic Association. Seven institutions (Alabama, Auburn, Georgia, Georgia Tech, North Carolina, Sewanee and Vanderbilt) attended the SIAA organizational meeting of faculty representatives, called by Dr. William L. Dudley of Vanderbilt, in Atlanta Dec. 22, 1894.

Student teams from the schools began meeting in various sports with little pattern to their contests. The American adaptation of the English game rugby, called "football" was drifting down from the East and Midwest. Southerners were quickly attracted to this sport formalized in 1869.

The first football game in the Southeast was played April 9, 1880, on the ground now called Old Stoll Field at the University of Kentucky. Kentucky A&M (now UK) organized a team and in November 1881, played Transylvania College in a three-game series. By 1895-11 current SEC members were playing football.

Basketball moved quickly to the South as Vanderbilt was playing at the Nashville YMCA in 1893, just two years after Dr James Nalsmith originated the game at Springfield (Mass.) College

Track was organized on a conference level at the 1895 SIAA meeting presided over by President Dudley who served until his death in 1914. The first championship meet was held at

Vanderbilt May 15, 1896. By 1900 eight of the 13 charter SEC members were participating.

The seven-member SIAA expanded to 19 institutions in 1895 (Alabama, Auburn, Central, Clemson, Cumberland, Georgia, Georgia Tech, Kentucky, LSU, Mercer, Mississippi State, Nashville, North Carolina, Sewanee, Southwestern Presbytenan, Tennessee, Texas, Tulane and Vanderbilt) and by 1920 there were 30 members.

The larger schools reorganized as the Southern Conference at a meeting in Gainesville Dec. 12-13, 1920. Professor S.V. Sanford of Georgia called the meeting and served as the first president. Charter members of the Southern Conference included Alabama, Auburn, Clemson, Georgia, Georgia Tech, Kentucky, Maryland, Mississippi State, North Carolina, North Carolina State Tennessee, Virginia Virginia Tech and Washington & Lee

Despite an original limit of 16, the membership grew to 23 by 1928. In 1922 Florida, Louisiana State, Mississippi. South Carolina, Tulane, Vanderbilt and Virginia Military joined, while sewance and Duke became members in 1923 and 1928 respectively. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville. The 10 coast members remained in the Southern Conference. Dr. Frank L. McVey of Kentucky was elected president of the new conference whose charter members were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt (Sewanee withdrew Dec. 13, 1940, Georgia Tech on June 1, 1964 and Tulane on June 1, 1966). McVey held an informal meeting of the school presidents in Birmingham Feb. 16, 1933, then the first full meeting in Atlanta Feb. 27

The office of the commissioner was formed in 1940 in Jackson due to the great amount of detail work developing, especially in recruiting and eligibility. Former Mississippi Governor Martin S. Atlanta was the site of the 1994 SEC Football Championship, as a Georgia Domerecord 74,751 watched Eastern Division champion Florida capture its second straight conference crown with a 24-23 victory over Western Division winner Alabama

The Gators effectively moved the ball through the air, as Danny Wuerffel connected on 23 of 41 passes for 227 yards and a pair of touchdowns. But at the conclusion of the hard-fought contest, it was Florida defensive standout Ellis Johnson who distinguished himself as the game's most valuable player. The rugged senior recorded five tackles, one pass breakup and an SEC Championship record three tackles behind the line of scrimmage, including two quarterback sacks

Trailing 17-10 at the half, Alabama regained the lead, 23-17, with two thirdquarter field goals and an interception return for a touchdown with less than nine minutes to play. Florida responded with an 80-yard. 10-play drive which ended with a two-yard touchdown pass from Wuerffel to Chris Doering with just 5/29 remaining in the fourth quarter. The extra point by Judd Davis secured the winning margin, as the Gator defense forced an interception on the final Alabama drave.

The SEC's third title game attracted a televison audience of more than 30 million viewers. ABC's broadcast earned a 10.5 rating marking the network's most-watched college football game since the 1991 season.

Florida defensive tackle Ellis Johnson earned Most Valuable Player honors after setting a new SEC Championship Game record with three tackles behind the line of scrimmage.

A crowd of 74,751 watched the third annual SEC Championship Game, bettering the previous Georgia Dome attendance record of 72,500 set at the 1994 Super Bowl.

### \*Appointed Conference Games

While the SEC rule requiring six football games with member schools was in effect, 16 games with outside schools were appointed to serve as conference games to avoid a violation for the members. The word-lost records of these games are included in the annual conference standings, but the results are not included in the conference point totals.

Georgia's Eric Zeier, the SEC's career passing leader, along with Florida's Shane Matthews are the only players in conference history to throw for 3,000 yards in consecutive seasons.

Vanderbilt's Kurt Page was the first quarterback in SEC history to pass for more than 3,000 yards in a season. He twice led the league in total offense.

#### 1959 — BILLY CANNON LSU Halfback

A rare combination of strength and speed, LSUs Billy Cannon became the SEC's second Heisman winner in 1959. In the Tigers' heart stopping 7-3 win over Ole Miss in 1959, Cannon, who ran the 100-yard dash in 9.4 and threw the shot put 54-4 for the LSU track team, entered his name in college football folklore with an 89-yard punt return in the fourth quarter for the winning points. However, it was a dramatic goal line stand in the final seconds with Cannon making the game-saving tackle that preserved the LSU win Although renowned for his offensive skills, Cannon's contemporaries claim he was a better defender. He also averaged 40.3 yards per punt as a college star Cannon had a successful 11-year pro career with the Houston Oilers, Oakland Raiders and Kansas City Chiefs, Today, Cannon is a dentist in Baton Rouge

### **SEC Licensing Program**

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a consortium of universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

In addition to the SEC, Collegiate Licensing of Atlanta administers the programs for more than 100 universities and 10 bowls, including the Nokia Sugar Bowl. The objectives of the consortium are to assure that the names and logos of the members are protected and that the members receive their fair share of revenues generated and that, alumni, students and supporters can easily recognize authorized merchandise.

Consumers can tell if the merchandise is authorized by looking for the label which says, "Officially Licensed Collegiate Products."

### **Corporate Marketing Program**

Several of the nation's most prestigious corporations have joined with the Southeastern Conference in supporting intercollegiate athletics.

Begun in 1988, the SEC Corporate Marketing Program allows these corporations to join with the conference as partners in furthering the role of athletics in higher education.

Each member of the SEC corporate marketing team shows its commitment to the future of intercollegiate athletics with contributions to SEC Drug Education programs, SEC Youth Clinics, SEC Scholarship Programs and SEC Academic Enhancement Programs.

The corporations also conduct consumer promotions designed to increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program.

Current Corporate Marketing partners with the SEC include Buffalo Rock (Dr. Pepper), First Alabama Bank, Gatorade, General Mills, Golden Flake Snack Foods, Hardee's HealthSouth, Texaco and Toyota.
